PATTERN

*the very finest...for  
the discriminating user.*

- **SILVER DEPOSIT...**

Triple Plate of pure silver. This silverplate is built for long wear, 60% of the plate is deposited on the back of the piece which is subject to the most wear and 40% on the front of the piece. All items available in 5 oz. quality, if requested.

- **SILVER OVERLAY . . .**

In addition to the overall silver plate, there is an extra overlay of pure silver on the most-used spoons and forks at the point of greatest wear.

- **WEIGHT . . .**

Teaspoons weigh at least 11 lbs. per gross. The metal is scientifically distributed to give strength where it is most needed.

- **FINISH . . .**

Each piece has been carefully finished by skilled craftsmen to bring out the beauty of the pure silver plate. Every piece is highly polished to produce a bright and durable surface that will resist hard usage.

- **DESIGN . . .**

This pattern has been created especially with hotel and restaurant usage in mind. It is not only beautiful but is designed for easy cleansing and long wear.

- **BASE METAL . . .**

The base metal is the best quality nickel silver polished to perfection before plating. Each piece is especially tempered to be stiff and strong.

- **TEMPERED FORK  
TINES . . .**

Fork tines are tempered to resist bending.

- **HOLLOW HANDLE  
KNIVES . . .**

Knife handles are heavily plated with pure silver and permanently joined to forged mirror stainless blades of the finest cutlery steel. These knives are guaranteed not to come apart.
